**Laura Delli Colli : Rome: Impressions, Recollections and Charm (Italian Regions)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rome: Impressions, Recollections and Charm (Italian Regions):

Every page of this book celebrates the most romantic city in the world in word and pictures: the myth, the dream and the reality; the classical architecture, the heritage sites and the people. Six full colour hardback books which celebrate

the natural beauty and cultural treasures of Italy's very different regions. Take the back road off the tourist trail and discover in these magnificent colour photographs and absorbing narratives the unexpected corners and breathtaking landscapes that will hope to discover when you visit Italy.
