Claudio Gatti : Rome In Detail Revised and Updated Edition: A Guide for the Expert Traveler before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rome In Detail Revised and Updated Edition: A Guide for the Expert Traveler:

1 of 1 people found the following review helpful. It is full of very good information. Places of interest you never find on ...By Marilyn Melhuish This book is all I expected. It is full of very good information. Places of interest you never find on your first visit to Rome. 2 of 3 people found the following review helpful. Good Guide book, could have been better By Kindle Customer After reading many books/guidebooks on Rome,, this book enters my top 10 list of Roma related books. Some excellent and timely information. Sadly, the suggested walks and tours outlined in the book, do not include corresponding maps.. In general, the maps contained in the book are not very helpful.... Suggest that a good map be used in conjunction. The lack of accurate maps is major disappointment to an otherwise well researched guide book. 8 of 9 people found the following review helpful. One of the Best Guidebooks By Richard Sanders This book was recommended to me by a frequent traveler to Rome. It is the best guidebook I have found for Rome. Every page has kept my interest and the book is very well organized to allow the reader to understand how the city is divided and will help a tourist use the time wisely while in this beautiful city. I would rank this guidebook #1 for Rome.

Rome is a heady mix of the ancient and modern: the romance of the Roman Forum, the opulence of the Pantheon, the grandeur of Saint Peter's Basilica and the Vatican Museums, and the riveting historical theater of the street. Rome in Detail is the sophisticated traveler's ultimate guide to the Eternal City. With twenty-five walking tours through nine neighborhoods, and complete with eighteen maps, this book is the ideal introduction to the city's exceptional cultural treasures, from popular favorites to lesser known but extraordinary sites away from the tourist throng. Unlike most travel books, this guide relies heavily on locals whose expert knowledge provide's tourists with an ample selection of the city's best attractions, hotels, restaurants, and nightspots. A "Best of" chapter offers information on the choicest gourmet shops, the creamiest gelato, the most romantic corners, and the liveliest marketplaces.
