**From Brand: Monaco Books : Rome: Inguides** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome: Inguides:

Innovative, up-to-date travel guides in a practical pocket format. Stylish and incisive, Inguides are the perfect travel companion. ? Evocative images showcase key sights, presenting an inspiring visual overview ? Lively text reveals the hidden surprises as well as the main attractions of each destination, and sheds light on its people, art, culture and quirks ? Fresh ideas on where to sleep, eat and shop, including a host of useful websites, help travellers make the best choices during their stay ? Annotated walking tours guide visitors through the most interesting areas, linking the main

sights and taking in outstanding architecture, cool museums, atmospheric squares and gardens along the way ?  
Independent exploring is made easy through clear and detailed maps. A separate city plan shows all the highlights from the guide
