**Sarah Retter : Rome: Italian Phrasebook for English Travelers: The most frequent phrases you need to get around when traveling in Rome.** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome: Italian Phrasebook for English Travelers: The most frequent phrases you need to get around

when traveling in Rome.:

1 of 1 people found the following review helpful. A very useful guide  
By Berry  
I actually found it to be useful. I was very skeptical when I bought the book but this book is actually well-written. It has place and they frequently spoken phrases in that particular place, for example a bus travel and all the phrases like Where to buy tickets?, Does this bus stop at..? And many more. Though you can't pronounce? as good as the local, this book will help you get away just fine.  
1 of 1 people found the following review helpful. Learners guide to Italia  
By Kenny Alves  
This Rome travelers' phrase book is not just for the people willing to visit the place but I find it helpful even when beginning to learn Italian, since it has the everyday phrases that can be utilized in a number of situation when doing business or even when interacting with Italians. The book is good but its not easy for me as a beginner to the language.

About the Author  
I am a language fun and polyglot traveling the world to meet fascinating people and getting to know incredible places and customs. I find nothing is more rewarding than practicing languages with others, getting new friends and meeting new cultures and customs. Probably you feel the same way. As I keep learning new languages I realize that each one opens up a whole array of new experiences and a new way to look at the world. I decided to write about my experiences to share them with other people and to transform my lifestyle into a way of making a living. I hope I will be able to transmit my passion for languages and for people to those travelers who find that an unknown foreign language is a barrier hard to get by. I know how it feels and hope will be able to help travelers to get the most of their journeys. Journeys are life transforming experiences! Thanks for reading my books! Sarah Retter
