From Brand: Monaco Books : Rome Photo Guide (Photo Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome Photo Guide (Photo Guides):

Highly portable, on-the-spot guides packed with over 400 lavish photographs, practical information, insider tips and a dedicated atlas. ? Comprehensive introduction and special double-page features provide readers with useful information about nature and landscapes, people and country, history and gastronomy, the fine arts and culture ? Highlight sections arranged by regions reveals the top sights through a wealth of breathtaking photographs and stimulating background texts ? Practical information and insider tips for culture events, restaurants local cuisine, bars,

shopping, hotels and much more ? Guided city walks and perfectly planned auto tours with descriptions of the most scenic routes cross-referenced to individual, bespoke maps helping visitors plan their trip ? Dedicated, fully-indexed map section aids quick and easy navigation
