**Roy Jackson : Rome: Roman Empire: Ancient Rome The Rise Fall** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome: Roman Empire: Ancient Rome The Rise Fall:

2 of 2 people found the following review helpful. A Short Historical OverviewBy Kindle CustomerThis short overview provides some of the highlights of Roman history from near its inception to its ultimate fall. The rise of Rome is covered is more detail than is its fall leaving the reader to wonder about the details. Also the author should have fixed the spelling and punctuation errors which would have made it easier to read some of the passages. Overall, I

recommend this as the first book to read before seeking out more detailed books on Roman topics of greater interest.7 of 8 people found the following review helpful. UnimpressedBy kwil bought what I was hoping would be an interesting read. I've always loved history and thought that this book looked informative. What I got was a glorified 5 paragraph essay with quite possibly even less information than my out of date high school history book had in it. I'm no author, but I'm pretty sure I could've written this book in an hour, using information off the top of my head.0 of 0 people found the following review helpful. Recommended!By Ranah SunstarThis was an extremely readable work that taught me many new things and also brought up memories of long-ago classes. Jackson writes a great deal about religion, especially the rise of Christianity and its impact on the decline and eventual fall of the Empire. Actually, I'd skip reading cultural chapters, and just reading the ones about wars and politics.

#1 Best Seller - Learn the Epic Story of the Roman Empire! Are you fascinated by Ancient Rome? Would you like to know more about Caesar, Augustus, and Constantine? Is it time to dig in and really get to know this culture that shaped the world for millennia? When you purchase *Rome: Rise and Fall of the Roman Empire*, your knowledge will expand every day! You'll learn about Rome's roots in the aftermath of the Trojan War, and its mythical founders, Romulus and Remus. Rome shifted from Monarchy to Republic, only to be remade by the iconic Julius Ceasar. *Rome: Rise and Fall of the Roman Empire* tells his life story from his birth to his assassination. You'll learn about his military victories and political legacy, from the First Triumvirate to his Consulship and Dictatorship. This book even helps you understand how his death led to the forming of the Second Triumvirate. You'll also learn about how the line of Emperors that followed Julius Caesar began to decline. Despite the unifying efforts of Constantine, the Roman Empire eventually broke into pieces. This book explains how the West fell, and the East survived - at least for a while. Purchase *Rome: Rise and Fall of the Roman Empire* now, and become well-versed in this essential and exciting period of World History!
