Passport to European Travel Guides : Rome: Rome, Italy: Travel Guide Book-A Comprehensive 5-Day Travel Guide to Rome, Italy Unforgettable Italian Travel (Best Travel Guides to Europe Series) (Volume 2)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rome: Rome, Italy: Travel Guide Book-A Comprehensive 5-Day Travel Guide to Rome, Italy Unforgettable Italian Travel (Best Travel Guides to Europe Series) (Volume 2):

4 of 4 people found the following review helpful. Made my trip amazingBy C MI have always wanted to go to Rome, so when I was finally given the opportunity I knew I had to make it an amazing experience for me and my family. This book helped a lot, the author explains the etiquette used in Italy as well as good hotels to stay at and restaurants to go to. I went to a few of the places suggested and they were really impressive. I followed the itinerary for the first 5 days of my trip and I feel like I really got to see the best parts of Rome and it's culture. I recommend this book to someone like me who might not be the best at organising holidays, or just anyone who wants to see the best parts of Rome. Really did make my trip amazing.2 of 2 people found the following review helpful. 5 StarsBy Brian GreenHaving returned from my European trip a few months ago, I can safely say that I wish I had this guide with me when I visited Rome. Rome is a beautiful city, rich in culture, history, art and food, but can seem a little overwhelming when confronted with the inevitable double edged sword of travelling – too many things to see, too little time to see them all. "Rome for Tourists" is the most useful guide to help you with the seemingly overwhelming planning process. Unlike other tourist guides, this book is loaded with tips and secrets that Rome locals try to keep to themselves. The book lists several hole-in-the-wall restaurants, an array of accommodation (categorized by price range), must-see sites as well as spots in the city that are unknown to most tourists but are definitely worth visiting. I'm pretty sure this book will be the cause of my rebooking a trip to Rome for this coming summer season.3 of 3 people found the following review helpful. Helpful guideBy SophiaItaly is a country where time tells.Rome is it's capital with live representative of memories.I always dream to go there . But the problem was that I was afraid of what and how I do there to fill my dreams.. But after going through this book, I am now fully confident. This book has guided me properly.The tourists spots ,communications,hotels,food items everything included here.This book will give you all information what you search before make a tour.
