It helped me a lot while I was in Rome. I would buy it again!

Sophisticated shopping writeups from serious local fashionistas, more than a dozen neighborhood maps marked to show store locations, and a full city's worth of detailed pop-out maps on the inside front and back covers will help travelers zero in on the most interesting shops wherever they are. A section of thematic shopping itineraries guides visitors all over the city to the best places for bargains, women's clothing, cooking items, and the like. Store suggestions are completely independent, provided by a passionate local shopaholic with a gift for making each store come to life on the page. Color photographs of the most stylish goods get you in the mood even before you get there.
