Rudolf J. Strutz : Rome the Eternal City 2017: Calendar of Rome the Eternal City (Calvendo Places) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rome the Eternal City 2017: Calendar of Rome the Eternal City (Calvendo Places):

Many photographs of ancient monuments and locations in Rome. Take a stroll through the great capital of Italy. Rome is not only called "The Eternal City" but also "Caput Mundi" - "The Capital of the World". If you like cats, have a look at June and see a sensational Cat Sanctuary directly in Rome. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
