Marc Cook : Rome Travel Guide: The Top 10 Highlights in Rome (Globetrotter Guide Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rome Travel Guide: The Top 10 Highlights in Rome (Globetrotter Guide Books):

0 of 0 people found the following review helpful. The travel book guide that I want. Beautiful Rome. By Irene Williams I was looking for this kind of guidebook that purely covers the main tourist's spots in Rome because if I may have a chance to visit there, I am quite certain that my days of stay will be limited. Thus, I cannot afford to waste my time and make sure to see these 10 lovely spots highlighted in this book. I like how the places, ancient buildings and the archeological sites are being described. Their histories were also written clearly and concisely. It has always been my dream to visit Vatican City and Piazza Navona. I am glad that I found this book, it makes me more excited to explore those places and make beautiful memories. 0 of 0 people found the following review helpful. Great travel guide to Rome! By Ana Marie Banares If you are planning to visit Rome in the near future, you need this book to guide you where to go and what to do to make sure you'll make the most out of your travel experience. The book has all the information you need about Rome like where to go to see the historic landmarks and places with incredible architectures, etc. Highly recommended!

Follow on the Steps of the Ancient Romans and Explore the Eternal City Italy's capital city is one of the most exciting vacation spots in the world. With a plethora of gorgeous churches, romantic ancient ruins and amazing gardens, Rome has a perfect spot for everyone. Considered the cradle of the western civilization, Rome boasts some of the oldest buildings in the world, many of which are still considered an architectural wonder. The city is so large that it will take you weeks just to see the most important landmarks. That is why you need this comprehensive travel guide, in order to perfectly plan your trip and not miss the most important things Rome has to offer. Inside Rome Travel Guide: Piazza Navona The Colosseum Via del Corso The Roman Forum Vatican City Galleria Borghese Castel Sant' Angelo The Spanish Steps Trastevere Cinecitta History buffs will definitely love this city chock full of amazing ruins some dating back to over two millennia. Those who want to get a sneak peek into the intriguing lives of the Ancient Romans should take a stroll through the Roman Forum and alongside the Colosseum. Charming avenues like Via del Corso and Via Condotti are the place to be every evening, while Piazza Navona is the best place to discover the Italian art of "dolce far niente". At the heart of this deeply religious city lies the Vatican City. Though it's an independent state, the Vatican is one of the main reasons for which Rome is visited by millions of tourists every year. Within the walls of the Apostolic Palace visitors will discover some of the greatest masterpieces in the world. However, Rome boasts some of the finest art galleries and museums in Italy and it can be quite difficult to visit every single one of them. Learn more about the best galleries in the city from Rome Travel Guide. The Eternal City is also a mecca for shopping enthusiasts, while film buffs will have a blast exploring the iconic Cinecitta and learn more about the amazing films that were made here. Rome is one of the most incredible cities in the world, that should be on any traveler's must see list. So start packing for your trip right now, but not before ordering the only travel guide you'll ever need – the Rome Travel Guide.
