**Anya M. Shetterly : Romewalks (Henry Holt Walks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Romewalks (Henry Holt Walks):

2 of 2 people found the following review helpful. No better way to appreciate Rome than this. By D. J. Miller We've been to Rome three times in recent years, and thanks to this informed, savvy guide, we have seen and enjoyed Rome in ways that Romans themselves have not. This is a step-by-step guide to historically fascinating neighborhoods throughout the city. Compact and written with tourists in mind, this guide covers history, museums, restaurants and of course the unique sense of place that is Rome. 0 of 0 people found the following review helpful. Terrific Addition to the Large Selection of Travel Books on the Market By Charlotte Superb! A terrific guide for a trip to Rome, particularly if you want some off-the-beaten-path walking tours. 0 of 0 people found the following review helpful. Five Stars By Barbara D. Wright Love this book. Easy to understand. Out-of-way places. Fun!

Completely revised and updated for the first time since 1984, this classic guide proves to readers that most of the Eternal City's treasures lie not in her museums, but in her streets. Romewalks leads visitors on extraordinary tours through Campo dei Fiori, the Piazza Navona, and the Jewish Ghetto, among others, sharing history, anecdotes, and gossip. Photos. Maps.
