Matthew Hancock, Rough Guides : Rough Guide Directions Madeira Porto Santo before purchasing it in order

to gauge whether or not it would be worth my time, and all praised Rough Guide Directions Madeira Porto Santo:

0 of 6 people found the following review helpful. DeliveryBy BiaI bought this Rough Guide for my next holidays, before it was even printed, knowing I would risk not to receive it in time for my departure. In the meantime it started popping up onto the shelves of my favourite bookshop, while all of my friends joked me about my purchase, which I would have needed to resell coming back from holidays. But surprised me again and they delivered it before the scheduled date and I am so far studying it! I believe Rough Guide Directions are an even better type of guides, for the tourist who wants to grab a good bite of the place with an indepth knowledge without all the fuss of a boring lecture.Thanks for asking me. Bianca
