2 of 2 people found the following review helpful. Great for learning!By SewAwesomeGreat little book! Oh, how I wish I had bought it for traveling, but for right now I'm just using it to help me learn the language. The pronunciation guides are very helpful for beginners. When I finally buy my plane ticket to Moscow, by golly I'm going to know how to speak Russian!1 of 1 people found the following review helpful. Very helpful phrasebook!By George

Beddingfield Like other Rough Guide Phrasebooks I have seen, this little book was most helpful in finding my way around in a very confusing language. Trying to pronounce Russian words phonetically seems okay to the English speaking tongue until you come across one of those extra and strange-looking letters in the Cyrillic alphabet--then it becomes impossible. The Rough Guide really facilitates communication, and Russian people appreciate foreigners efforts to speak their confusing language. 0 of 0 people found the following review helpful. Now, I can communicate with Russians. At least ...By Verena Now, I can communicate with Russians. At least a little bit. For me it is necessary, life necessary. And for you? Try it out, its helpful when you intend to visit Russia or there might be other reasons....
