Chris Lloyd : Rough Guides Directions Costa Brava (Rough Guide Directions) before purchasing it in order to

gauge whether or not it would be worth my time, and all praised Rough Guides Directions Costa Brava (Rough Guide Directions):

1 of 1 people found the following review helpful. Great little book!By Rebecca T. HarrisMy review needs to be taken with a grain of salt because although I did go to Spain we did not go to the Costa Brava. But, that being said I am an avid traveler and this is a great little resource that seems to capture the feeling of each quaint little town on the costa brava. Beautiful color photographs will surely inspire as well as a wealth of historical information. This guide is very good about reaching out to all different travelers; including extensive information about gourmet restaurants, outdoor adventure spots, cheaper traveling options, and historical/cultural opportunities.6 of 6 people found the following review helpful. Excellent travel guide!By carol in austinThis is my first experience with the Rough Guide series and I am overwhelmingly pleased. The Costa Brava is usually "added" to guides on Barcelona and is given very little space in guides to Spain. This is a jewel...concise, informative, covers the smaller places that other guides do not mention. Very nicely done little book - it's definitely going to be one of the "chosen few" that we take with us on our trip to Costa Brava and Barcelona this Fall.

The Costa Brava Directions guide is a colourful and insightful handbook to this surprisingly diverse region. The guide gives extensive coverage of every major town and attraction, focusing on both the coast itself and on the inland areas. As with all Directions guides, there is a full-colour section with specially commissioned photography of all the sights, attractions and activities available. Coverage is given to the hidden beaches and less touristy areas as well as the region's capital Girona and the renowned Salvador Dali attractions. The guide gives up-to-the-minute listings of the best places to eat, drink and sleep plus insiders' coverage of nightlife.

About the AuthorTwenty years ago, Chris Lloyd caught a bus from Cardiff to Catalonia and has stayed ever since. He works as a freelance translator.
