**William Makepeace Thackeray : Roundabout papers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Roundabout papers:

This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

About the AuthorWilliam Makepeace Thackeray was a nineteenth century English novelist who was most famous for his classic novel, *Vanity Fair*, a satirical portrait of English society. With an early career as a satirist and parodist, Thackeray shared a fondness for roguish characters that is evident in his early works such as *Vanity Fair*, *The Luck of Barry Lyndon*, and *Catherine*, and was ranked second only to Charles Dickens during the height of his career. In his later work, Thackeray transitioned from the satirical tone for which he was known to a more traditional Victorian narrative, the most notable of which is *The History of Henry Esmond*. Thackeray died in 1863.
