Having personally visited the Country, this calendar brought back many good memories. It depicts the best parts of Moscow and other towns and cities highlights, with outstanding photography. A must for anyone contemplating visiting Russia and Moscow in particular.

Russia Wall Calendar: The world's largest country by land area, Russia ranks sixth in terms of population. It occupies much of Eastern Europe and all of North Asia, extending for 5,000 miles from the western Baltic Sea to the eastern Pacific Ocean. This wall calendar features the favorite architectural sites of Russia, such as St. Petersburg and the Kremlin. But it also heads off of the beaten track to the Russian countryside. See and remember Russia, with love.
