**BrownTrout : Russia 2015 Square 12x12 (Multilingual Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Russia 2015 Square 12x12 (Multilingual Edition):

The world's largest country by land area, Russia ranks sixth in terms of population. It occupies much of Eastern Europe and all of North Asia, extending for 5,000 miles from the western Baltic Sea to the eastern Pacific Ocean. This wall calendar features some of Russia's most memorable architectural sites, such as St. Petersburg, the Kremlin, and Red Square, and it also heads off of the beaten track to the Russian countryside. See and remember Russia, with love. Includes a free download of the TravelDays™ app for the smartphone and tablet, which grants access to the world's best destination photos and backgrounds, fun puzzles, and a calendar featuring picturesque places that will transport you from the day-to-day to the truly memorable. BrownTrout is committed to sustainability.
