Howard Shernoff and Tanya Samofalova : Russia by River before purchasing it in order to gauge whether or not it would be worth my time, and all praised Russia by River:

0 of 0 people found the following review helpful. Russia , Moscow to St Petersburg by river. By B. Raine I used this book in the late 1990's, descriptions and information was spot on. The best part , which I have just re read are the notes at the end. Who ruled and when, notes about "gifts" and booze extremely funny. A must have when cruising from Moscow to St Petersburg.
