AGT Moscow : Russia's Black Sea Coast 1:700.000 with town plans AGT before purchasing it in order to gauge whether or not it would be worth my time, and all praised Russia's Black Sea Coast 1:700.000 with town plans AGT:

Russia's Black Sea Coast 1:700,000 with town plans AGT Double-sided map of Russia's Black Sea coast including Crimea. The main map covers the Black Sea coast between the Ukrainian mainland and Abkhazia (Russian-occupied part of Georgia) at scale 1:700,000. Added are inset street maps of Sevastopol, Simferopol, Sukhumi and Yalta. Another box shows the route from Moscow to the Black Sea. This side of the map is in Russian only. Reverse side includes 3 street-level maps of resorts in the Sochi area: Sochi and Adler on the coast plus Krasnaya Polyana in the mountains. These maps have local names latinized, legend is in Russian and English. Sheet size 98 x 67 cm / 38" x 26.5".
