P. T. Culhane, Roy Bivon : Russian Language and People before purchasing it in order to gage whether or not it would be worth my time, and all praised Russian Language and People:

This structured course is based mainly on the skills of understanding rather than speaking, and is a painless and enjoyable introduction to the language of the Russian people. The 16 units and four revision units contain exercises using authentic material, sections on life in Russia, and grammatical information. This cassette pack is designed to work with the Russian Language and People course book.
