Martin Palmer, Nigel Palmer : Sacred Britain: A Guide to the Sacred Sites and Pilgrim Routes of England, Scotland and Wales before purchasing it in order to gage whether or not it would be worth my time, and all praised Sacred Britain: A Guide to the Sacred Sites and Pilgrim Routes of England, Scotland and Wales:

2 of 2 people found the following review helpful. Sacred BritainBy L. GiamalvaThis is the guidebook I wanted over a decade ago when I first visited England. Thanks to this guide, I now have a better idea of where I will go on my next trip across the pond. I visited one or two places listed in the guide and was able to determine a good overview of the sites were provided. And having the pligrim routes ...wonderful. Even if you're an armchair traveler, you will enjoy reading about the various sites and their impact for tourism, religious observances or political influence. If you've ever considered following the medieval pilgrimage routes, this is a marvelous book!3 of 3 people found the following

review helpful. Great guideBy ConnyeThis book explains in general what constitutes sacred places and their history, then gives specific examples. Pictures are helpful. I recommend this as a pre-read before traveling to Britain. As you encounter the sacred places, you will recognize them. I'm not putting the book in my luggage, but am taking notes.

A guide to places in Britain that have a strong spiritual association and are interesting to visit. This text describes 12 well-known pilgrimage routes and how to follow them. The routes include, Ely to Walsingham, the Canterbury pilgrimage and Stonehenge to Glastonbury.
