I have always been "drawn" to the earlier eras of Irish, Scottish, and British lore. As a teenager, I read Harlequin romance novels...lol. The settings for my romances always took place in "ye days of olde" in the above mentioned countries. Not too long ago, my brother and I sent in our DNA samples thru Ancestry and we were shocked to learn we were over both over 30% British and Irish!! On the female side, I had more Irish than my brother, and on the male side, he was more British than me. Perhaps somewhere deep inside me, part of my psyche knew this all along...lol. 2 of 2 people found the following review helpful. Only regret is not finding this gorgeous calendar earlier.
