Sally Nyland : Sally Nyland's London: Tips from a professional London tourist to help you save time and money before purchasing it in order to gage whether or not it would be worth my time, and all praised Sally Nyland's London: Tips from a professional London tourist to help you save time and money:

0 of 0 people found the following review helpful. Very useful and clearly written bookBy Anne LousyThis book has very useful information for people who are going to London for the first time. I would highly recommend reading it. It is well worth the money.

SALLY NYLAND'S LONDON should be the first book you pick up when planning your trip! This guidebook sheds light on helpful facts and details that most conventional guides don't cover. Confused about where to start planning your trip to London? Start right here! Sally Nyland has been traveling to London regularly since 1995, with at least half a dozen trips since 2010, and she knows everything there is to know about visiting this fair city. She shares her insights and experiences with you in this must-have guidebook. Within these pages, you'll find unique information on the major London transport passes, revealing money-saving details that the big guides leave out. You'll be directed to the most respected websites and guidebooks so you can easily find quality information without wasting time. You'll learn about the best websites to follow on social media. You'll also appreciate the lowdown on attraction discount programs, including comparison charts to help you discover how to keep more pounds in your pocket. Rounding out the content, you'll find practical advice on using ATMs, communicating back home, lodging and sightseeing. Simply put, SALLY NYLAND'S LONDON sheds light on helpful facts and details that most conventional guides don't cover. It's an easy read, a great value and should be the first book you pick up when planning your trip.
