**Insight Guides : Salzburg (Insight Compact Guide Salzburg)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Salzburg (Insight Compact Guide Salzburg):

2 of 2 people found the following review helpful. Salzburg- a Not-to-be-missed European CityBy ubaluHere is a spectacular guide for the Salzburg visitor. Easy to carry, full of colorful photos and descriptions in very good quality paper, this guide is really thorough. The author covers places, culture, leisure and practical information in four sections, but the introduction- Salzburg: Mozart's city- and the historical highlights are a must to read in order to get the most out of the visit. Needless to say, to see Salzburg well, one needs to have plenty of time.
