From Brand: APA Publications Pte Ltd : Salzburg Insight Smart Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Salzburg Insight Smart Guide:

1 of 1 people found the following review helpful. Please update this bookBy Nothing But the BestThis guide is organized well for a short, small destination like Salzburg - I wouldn't want all the detail and bulk if I was going to a big bustling locale. But we the commentary was helpful, the background good especially because we didn't plan to take expensive tours and such and the information was accurate (just a bit dated because of the last publication date).
