**Lillianna Blake, P. Seymour : Sammy in England (Single Wide Female Travels, Book 4)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sammy in England (Single Wide Female Travels, Book 4):

0 of 0 people found the following review helpful. Sammy's in EnglandBy CustomerSammy goes to England with her new husband. Is there trouble in paradise, I won't give it away. I will tell you that Sammy continues to meet people and cause chaos where ever she goes. You will laugh out loud at this story and swear it is a short story, that's how fast

you'll read this tale. As usual Sammy is lovable and makes you want to make her acquaintance. I loved this latest tale about Sammy and Max, and look forward to whatever is next.0 of 0 people found the following review helpful.

SOMETHING IS CHANGEDBy Norma J. MeederI DO NOT KNOW WHAT IT IS FOR SURE,BUT SOMETHING HAS CHANGED WITH THIS SERIES FOR ME..I LOVE SAMANTHA,BUT SHE WORKED SO HARD TO GET HER HUBBY,BUT ALL THEY DO IS FIGHT..I THINK THEY ARE TIRED OF TRAVELING AND THEY NEED TO GO HOME WHERE THEY WERE HAPPY.SHE NEEDS TO STAY HOME AND WRITE MORE ZARA BOOKS. SORRY AS I HAVE LOVED ALL YOUR OTHER BOOKS YOU HAVE WRITTEN, BUT I DO NOT LOOK FORWARD TO READING THIS DERIVED ANYMORE..0 of 0 people found the following review helpful.

Always new insight to lifeBy Roanna, lover of HEAsEach book In the SWF series is full of fun and inspiration. I find myself highlighting so many passages I find profound. I can't wait for the next book. I have to say, I'm beginning to think of Lillianna as my personal guru. Thank you for Sharif this wonderful series.

Judgmental much? It would seem that things with my London contact, Poppy, are off to a bit of a rocky start to say the least. But considering everything that had happened to me in Amsterdam, I can hardly hold it against her. Prim and proper Poppy has the wrong impression of me and I'm pretty determined to change her mind—that is, if I can stop thinking about Max off somewhere with his first crush, who happens to be—you know—gorgeous or something. Nevermind. Deep breath. I've got books to sign and readers to meet, so off I go. Cheerio!

About the AuthorFictional character, Samantha Bradford and the Single Wide Female books are written for every woman out there who has struggled with their weight, self-esteem and any number of issues that we all face as we work to become the best versions of ourselves that we can be. These books are meant to be light-hearted and fun, but we do hope that they will inspire you to make your own “bucket list” of sorts—and to REALLY live your life to the fullest, loving yourself completely as you do so.
