Grim, and Humorous, Guide to Life Under SiegeBy Koos deWetExcellent, gripping photography, plus succinct, all too descriptive prose makes this a very moving book. In October, I will be doing a disaster survival seminar for our region, based in part on the excellent, hard won, survival lessons documented in this valuable little book. For the average reader, a reminder of how ingenious people can be under tremendous pressure, as in Sarajevo. For the person who works in disaster services, a thought provoking guide to survival in a city that was completely cut off, plus ahried by snipers.0 of 0 people found the following review helpful. Nice history and food for thought in case any thing ...By Jesse L.BelvilleNice history and food for thought in case any thing like riots/interruption of services to your neighborhood happens.look not just war zones but after hurricanes, earthquakes, tornadoes.. Look at recent news and Prepare , for yourself and your family.0 of 0 people found the following review helpful. This book is a keeper for anyone who is interested ...By StormgalNYCThis book is a keeper for anyone who is interested in emergency survival in urban areas. It's a bit dark, but what you'll learn is invaluable.
