Sardinia, the second largest island in the Mediterranean, is a countryside lover's paradise. Touring Sardinia by car, you quickly leave all traces of tourism behind: the six car tours cover about 1600km (1000 miles). The tours are arranged in such a way that they can be combined, allowing you to tour round the whole island. As you tour, explore on foot: walking in Sardinia, crushing the fragrant Mediterranean macchia underfoot, will give you the real flavour of the island. Its scenic diversity ranges from rough and primeval landscapes to gentle golden sand dunes, from scorching rocky plateaux and windswept plains reminiscent of Africa to rolling hills with lush pastures and dense brushwood, from towering mountains cloaked in fine oak woods to a turquoise sea that touches the rocky coast. Colourful rock roses and an extravaganza of wild flowers flourish in spring. Area covered: the whole island. The best months for walking in Sardinia are September to June.
