Thomas Kuehn : Sardinia / UK-Version 2016: Caribbean flair in Europe (Calvendo Nature) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sardinia / UK-Version 2016: Caribbean flair in Europe (Calvendo Nature):

Sardinia, the second largest island in the Mediterranean Sea, offers some of Europe's most beautiful beaches. Magnificent turquoise water, as clear as I have never seen it before. Large beaches with finely granulated sand and bays amid the characteristic stony shores. Sardinia's magic fascinated me - let the Caribbean feeling enchant you, too! Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
