EPLS : Say It Right in Italian, 2nd Edition (Say It Right! Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Say It Right in Italian, 2nd Edition (Say It Right! Series):

0 of 0 people found the following review helpful. Very HelpfulBy JCThis is my second "Say it Right" book and I am

really like the way these books are done. They make it so clear how to pronounce the words. I will listen to audio of a language and repeat what I hear, but I can never really be sure if I'm saying things right. This book is so helpful with not just teaching you the words but to make sure you are saying them properly! Very, very clear and I would recommend. I will continue to buy these books if I want to pick up any other languages. I also like that it is small enough that I can easily pack it in my purse and take it with me for handy reference. It's basic enough to give me what I need to know and then some, but not so packed that it's overwhelming. I can quickly flip through and find what I need. 0 of 0 people found the following review helpful. Great book for Learning Italian By Denny These books "Say it Right ..." are the best reading and learning books for languages I have found. They use a special sounding way for each word that allows you to work on pronunciation without having to hear it from someone. Perfect for someone wanting to learn conversational speak on their own. I fully recommend these books, I bought one for each language. 0 of 0 people found the following review helpful. Great little secondary book By gerda This little book breaks down how to say Italian words...which is very necessary for correct pronunciation! Wish there were a few more words in it.

Say farewell to language faux pas forever! Based on the revolutionary Easily Pronounced Language Systems approach, Say It Right in Italian makes mastering correct Italian pronunciation simple. With Say It Right you'll learn how to use hundreds of Italian words and phrases in everyday conversation. This amazing guide gives you easy-to-read vowel symbols that, when combined with consonants, make pronunciation easy. This second edition is enhanced by a new chapter that applies the Say It Right! "PhraseMaker" approach to common verbs. With Say It Right in Italian you will: Learn more than 500 essential Italian words and phrases Easily create sentences using "Phrasemakers" Get a quick reference to more than 500 word pronunciations in the Say It Right travel dictionary

About the Author EPLS (Easily Pronounced Language Systems) has developed unique language guides by first creating a sound-based pronunciation system that is sensitive to practical communication needs. Next, the system was applied to individual languages, in consultation with expert native-speaking teachers and certified language consultants. Finally, extensive field-testing ensures that the guides work in practice.
