Scotland 1:400,000 Travel Map, waterproof, GPS-compatible REISE 2012 edition This indexed map of Scotland with topographic and tourist information is waterproof and tear-resistant, double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in). It is durable enough to survive time spent in the rucksack, pocket or on a restaurant table. The map divides Scotland north / south with a good overlap between the sides. The coverage reaches south of Carlisle and Newcastle upon Tyne. Shetland Islands are included as insets. The topography is presented by altitude colouring with contours, numerous spot heights and names of various peaks, massifs, valleys, etc. National and local parks are marked. Road network includes local roads and selected country tracks, with driving distances marked on main secondary routes. Scenic routes are prominently highlighted. Railway lines are also marked. An extensive range of symbols highlight numerous places of interest, including UNESCO world heritage and archaeological sites, recreational facilities, beaches, selected campsites, etc. The map is indexed and has

latitude and longitude lines at intervals of 30'. Multilingual legend includes English, high quality German cartography.
