From Brand: Mainstream Publishing : Scotland: A Visual Journey before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scotland: A Visual Journey:

8 of 8 people found the following review helpful. Take the trip...By HMS Warspite It is no secret to its many visitors that Scotland is a beautiful land, and this collection of photographs by Douglas Corrance is all the proof most readers will ever need. In this 160 page portfolio, the virtual visitor can range all of Scotland in its best weathers, from the Borders to the great cities of Edinburgh and Glasgow, to the Highlands and finally to the Islands. From crofts to castles, beaches to Munro's, wild cats to highland cattle, this selection hits an entertaining range of interesting subjects. The 1999's vintage of the photography takes nothing away from the quality of the photographs. Highly recommended as an excellent souvenir. 8 of 8 people found the following review helpful. Like strolling through the towns and countryside. By Joe and Lois Scotland: A Visual Journey. Rather than going for "spectacular," this book shows Scots and Scotland in everyday life. Really enjoying it. 0 of 0 people found the following review helpful. Well worth it. By Dan Miller Great book, many pictures I hadn't seen before, nice present.

Douglas Corrance has been photographing Scotland for more than a quarter of a century. Now, in this superbly produced volume, he takes us on a visual tour of his native land, from the rugged peaks of the Highlands to the country's diverse cities, towns, and villages. The renowned photographer spent over a decade working for the Scottish Tourist Board, so it is not surprising to find in these pages a multitude of shots of the archetypal Scotland; however, Corrance skillfully manages to bring something new and surprising to every image. The result is a collection of striking photographs that will give readers a fresh understanding and clearer view of the many facets of Scotland's beauty.

From the Publisher This handsome, photo-filled volume features 185 outstanding color images of Scotland and its people.
