This was a very helpful map for getting from city to city in Scotland. It would have been even better if it had small inserts with more detailed maps of the larger cities. Otherwise, accurate helpful in locating interesting tourist attractions.

Double sided travel map, scale 1:380,000, with insets of Orkney and Shetland Islands. Distinguishes roads ranging from motorways to other roads. Legend includes railways, airports, airfields, car ferry routes, national cycle routes, long distance footpaths, Hadrian's Wall, major urban areas, ancient monuments, battle sites, caravan sites, camp sites, castles, historic houses, churches, gardens, forest Parks, museums, whisky distilleries, nature reserves, other interesting features, ski areas, viewpoints, wildlife parks/zoo, National Parks, sand/beaches. Authentic Scottish cartography.
