D. Ronald MacGregor : Scotland: Castles of Scotland (Collins British Isles and Ireland Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scotland: Castles of Scotland (Collins British Isles and Ireland Maps):

0 of 0 people found the following review helpful. excellent resource for planning a trip By proud granny of 7 We used this guide to layout a 2 week trip of Scotland and it worked perfectly. I wish the same map of castles was available for Britain, Wales and Ireland, 0 of 0 people found the following review helpful. Four Stars By Layton D. Traver Great 1 of 1 people found the following review helpful. Lots of info, poorly organized By A Customer The map identifies the castles but provides little organized information. I think to truly get some use you'd have to have another more comprehensive map of the country.

Over 1200 castles, towers and fortified houses are identified and located in this map of Scotland with more than 50 illustrations and a comprehensive index. There are also accounts of the history, legends and characters associated with the castles and architectural information.
