John Scotney : Scotland - Culture Smart!: The Essential Guide to Customs Culture before purchasing it in order to gage whether or not it would be worth my time, and all praised Scotland - Culture Smart!: The Essential Guide to Customs Culture:

0 of 0 people found the following review helpful. Good overview and orientation for those new to ScotlandBy Karl DahlfredThis was a nice, short overview of Scottish history, culture, manners, food, drink, economy, geography, etc. I thought it was quite helpful as a brief orientation to where I have just moved too.0 of 0 people found the following

review helpful. Helping women to land their own Jamie Fraser...By Jan Fischer-Wade
After reading the Outlander series of books by Diana Gabaldan, this Nebraskan has decided to head to Scotland and find myself a Jamie Fraser-esque highlander, Gaelic speaking romantic who is great with metal weaponry and who also thinks I am the most perfect woman in the world. How else can I begin my journey without this essential guide to Scotland culture???

2 of 2 people found the following review helpful. Quick, Concise and Useful...By JP Czar
Keeping in mind that this book is something of a 'pocket guide' and not a voluminous tome on the Scottish culture, I thought it was a very helpful read. The book covers the history of Scotland and the geography and other items involved in the evolution of the country. Also included are small details like - home life, daily interaction and the social life of the average resident...I've read a lot about Scotland and I have gotten this information in any other book. Enjoy

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit-whether on business or for pleasure-into a memorable and enriching experience. Contents include: * customs, values, and traditions * historical, religious, and political background * life at home * leisure, social, and cultural life * eating and drinking * do's, don'ts, and taboos * business practices * communication, spoken and unspoken

"Culture Smart has come to the rescue of hapless travellers." —Sunday Times Travel
