Scotland has for centuries exerted a powerful influence on visitors to its rugged landscapes. In this beautifully illustrated book, Roland Hill and Kai Ulrich Müller set out to capture something of the spirit and romance of this crowning glory of the British Isles. From the elegant sophistication of Edinburgh to the wild charm of the Highlands and Hebridean Isles, from the lonely beauty of Glencoe to the newly fashionable buzz of Glasgow, the author and

photographer provide a glimpse of Scotland that is at once fresh and familiar.
