Collins Maps : Scotland Pocket Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scotland Pocket Map:

0 of 0 people found the following review helpful. Scotland, here we come By Honest Review Heading to Scotland later this year. This map is great. 0 of 0 people found the following review helpful. Five Stars By bonnie sisk serves our purposes for travel 0 of 0 people found the following review helpful. This was a great map for our 12 day tour By Randy W Robertson This was a great map for our 12 day tour. Easy to read, fold up and stuff in a pocket. Nice

planning tool.

Handy little full colour map of Scotland. Excellent value and very detailed for its size. Double-sided folded map with the Central Belt, southern Scotland and northern England on one side and northern Scotland including Orkney and Shetland on the reverse.

About the AuthorExplore the world through accurate and up-to-date mapping.
