I bought this to plan a future trip and to see distances are from places we would like to travel. It does fold up nicely. You can store it in a purse, backpack.. anything for traveling. I look forward to posting this up on the wall. I would recommend this to anyone looking for a large map of the whole area of Scotland and surrounding areas.1 of 1 people found the following review helpful. Way too Big!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!By sammyI sent for a map for our trip to Scotland.While this map has all the locations it is MASSIVE!!!!!!!!!!!!!!!!!!when open it is over 7 feet by 3 or more feet wide. I wish I would have gotten a different one. I will have to cut this one up in 6 pieces just to be able to use it in the car!!!!!!!!!!0 of 0 people found the following review helpful. Excellent and detailed map for navigating around ScotlandBy Kindle CustomerExcellent and detailed map for navigating around Scotland. It is quite large but folds nicely. I find it particularly helpful in planning our trip.

Michelin regional maps each contain practical road and route information. Special Michelin reads-like-a-book format for easy use in folding and unfolding. Useful information for planning trips, including gas stations, 24-hour service stations, toll gates, rest areas and service plazas. Clear, precise cartography. Icons pinpoint important travel information.
