Denis Brook, Phil Hinchliffe : Scotland's Far West: Walks on Mull and Ardnamurchan (Cicerone British Mountains) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scotland's Far West: Walks on Mull and Ardnamurchan (Cicerone British Mountains):

The guide describes 34 mountain walks in Scotland's far-west peninsula - including Morvern, Ardnamurchan and Ardgour - and on the island of Mull. Mull, Scotland's third largest isle, and for bard Dugold MacPhail 'Of Isles the Fairest', has something for everyone. Those with interests in archaeology, geology and history will be captivated; naturalists will be fascinated by its flora and fauna; but its universal magic is tranquillity, while affording you all the joys of walking in the great outdoors. Across the narrow Sound of Mull, lies Morvern with Ardgour and Ardnamurchan. Here the enchantment continues to develop. At its farthest reaches, approached by a narrow road meandering through the finest scenery, is the most westerly part of the British mainland, Ardnamurchan Point. The allure of Mull, Morvern, Ardnamurchan and Ardgour is outstanding, and once you have seen them, you will want to visit Scotland's far west time after time.

About the Author Denis Brook and Phil Hinchliffe, both retired electrical engineers, were born and educated in Huddersfield. They have walked extensively in the north of England and the Highlands of Scotland. They have trekked in Nepal, Peru and India and made ascents of Mts Kenya, Kilimanjaro and Stok Kangri. They are the authors of three other Cicerone guides.
