HelpfulBy DRFHelpful.4 of 4 people found the following review helpful. a nonsenseBy G.I.ForbesThis is a third rate pictorial book of Scotland with far to many inappropriate,unrepresentative and plain silly pictures. This is coupled with the best pictures covering 2 pages where their integrity is destroyed by the crease.How any person who knows and possibly loves Scotland could produce such a mediocre collection of pictures is unbelievable but this is what has happened.Definately not recommended as there are many pictorial books of Scotland that are excellent.
