From Mainstream Publishing Company : Scots on Scotch: The Book of Whisky before purchasing it in order to
gauge whether or not it would be worth my time, and all praised Scots on Scotch: The Book of Whisky:

3 of 3 people found the following review helpful. Whisky bookBy Douglas.WylieGreat read for those that want to
know more about Whisky in Scotland through the eyes of Philip Hill....well worth look0 of 0 people found the

following review helpful. Not terribly enlightening ...By Richard GroveMeh. This is a set of disjointed essays about Scotland, scotch and malt beverages. I liked the first and last chapters.0 of 0 people found the following review helpful. Great book and service on the productBy bogieboydanBook was a advertised. Everything was great. Rec'd in expected time.

This is a book in which Scots tell the truth about their country and their national drink. Ignoring the mythology that surrounds Scotland and her favorite tippie, it is written by people who are passionate about their subject, who know what they write about, and who love what they know. It's about whisky and about Scotland—the real Scotland behind the invented images of the advertisers and gift shops. Over the last 40 years, Scots have reasserted their cultural independence, and, as part of this process, they have rediscovered the unique quality of their national drink. This renaissance is cause for celebration—malt whiskies have become internationally recognized as the connoisseur's spirit par excellence. Contributors to this pleasurable volume include Trevor Royal, Derek Cooper, Hugh MacDiarmid, and Norman MacCaig.

From the PublisherThis is a book in which Scots tell the truth about their country and their national drink. Ignoring the mythology that surrounds Scotland and her favorite tippie, it is written by people who are passionate about their subject, who know what they write about, and who love what they know. It's about whisky and about Scotland—the real Scotland behind the invented images of the advertisers and gift shops. Over the last 40 years, Scots have reasserted their cultural independence, and, as part of this process, they have rediscovered the unique quality of their national drink. This renaissance is cause for celebration: malt whiskies have become internationally recognized as the connoisseur's spirit par excellence.
