June Sawyers : Scottish Bed Breakfast Book, The before purchasing it in order to gage whether or not it would be worth my time, and all praised Scottish Bed Breakfast Book, The:

3 of 3 people found the following review helpful. Great BBs and descriptions!By MandiThe author gives wonderful descriptions of the BBs and makes you feel like you know several of the owners before you even get there. The book is divided by area, which is going to be great for us when we go on our trip to Scotland...we leave today! We don't have a set itinerary and will be using this book to help us find good lodging wherever we end up.1 of 1 people found

the following review helpful. Two StarsBy Lynda L. SkujinsList was not very extensive, found more on internet.

This comprehensive guidebook includes detailed information on food, transportation, tourist boards, and attractions. Evoking the warmth and hospitality of each Scottish host, it offers vivid descriptions of over seventy-five establishments, from opulent houses and cathedral hotels to romantic cottages and historic inns.

From the Publisher" This is an excellent reference book if you are planning a trip to Scotland. I had bought it and read it and . . . [lent it] to friends who were planning a trip to the United Kingdom. When they returned they said it was an excellent source for information and helped them tremendously."--.com customer review for *Scottish Bed Breakfast Book*, 1st Edition
From the Back Cover Fully updated and revised, *The Scottish Bed Breakfast Book* will appeal to travelers who want to experience a comfortable and distinctive stay in Scotland. Author and Glasgow native June Skinner Sawyers has selected more than two hundred establishments, complete with information on transportation, tourist boards, and local attractions. Chosen for ambiance, historic appeal, and period charm, as well as literary connections and the personalities of the owners themselves, these establishments include guesthouses, country inns, small hotels, cottages, and farms scattered throughout the diverse landscape of Scotland, from the Lowlands to the Highlands, from the Western Isles to Orkney and Shetland. Ms. Sawyers offers detailed comments on each lodging's decor, menu, and hosts, as well as advice on what to explore nearby. From descriptions of the opulent Witchery in Edinburgh to the romantic Peat Inn in Fife, from the gracious Kirklee Hotel in Glasgow to the cozy Glenderran in St. Andrews, this guide is an excellent tool for visitors with a variety of budgets looking for a more authentic, personable lodging experience.
About the Author June Skinner Sawyers is the author of several books, including *The Scots of Chicago: Quiet Immigrants and Their New Society* and *Pelican's Famous Firsts of Scottish-Americans*. Ms. Sawyers is a regular contributor to the *Chicago Tribune*. Born in Glasgow, Scotland, and now living in Chicago, she visits her homeland annually.
