Jim Manthorpe : Scottish Highland Hillwalking Guide: 60 day-walks: includes 90 detailed trail maps - planning, places to stay, places to eat (Trailblazer British Walking Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Scottish Highland Hillwalking Guide: 60 day-walks:

includes 90 detailed trail maps - planning, places to stay, places to eat (Trailblazer British Walking Guide):

0 of 0 people found the following review helpful. Unhelpful As a Planning ToolBy Chuck - SeattleAs a planning tool, this guidebook is extremely frustrating to navigate and choose hikes to meet any particular duration, location or degree of difficulty. It probably is better for someone very familiar with hiking in the Highlands, who already knows the described hike (but in that case, who needs the book?). I bought this book in anticipation of my recent 10-day hiking trip to Scotland. I had hoped to use this to plan hikes during my visit. However, I wasted hours reading through the somewhat obtuse hike descriptions, being lured by the listed mileage and difficulty in the summary, only to find buried in the route description such important details like the hike requiring an additional 7 miles of hiking to get to the start (making it a 13 mile hike, rather than 6), or that there was a difficult climb towards the middle of the hike. The book also has an odd organization, with the areas covered by the sections of the book overlapping with each other. In the end, I just tossed the book and went to the excellent Hike Highlands website, which fortunately allowed me to target some spectacular hikes.0 of 0 people found the following review helpful. So thoughtfully put together .By Darrel JohannesSo thoughtfully and lovingly put together. I love the detailed maps that show all the little things like a grove of 6 trees or a sheep pen. It has more than just facts it has personal experiences . I can not wait to put it to use this fall .

Scotland's Highlands and Islands contain some of the finest mountain scenery in Europe and by far the best way to experience it is on foot.Practical walking guide to over 80 hills in the Scottish Highlands and Islands. This Scottish hill-walking book covers Scottish hill walks, monros, corbetts and tracks including Ben Nevis walking guide and Cairngorm walks. Includes 90 detailed walking maps: walking times, directions, tricky junctions, places to stay, places to eat, points of interest written onto the map. These are not general-purpose maps but fully edited maps drawn by walkers for walkers. 60 day-walks for all abilities, graded for difficulty, 2-day and 3-day treks. Profile maps to show climbs and descents. Detailed accommodation: BBs, campsites, bunkhouses, bothies, hostels, hotels, pubs. Places to eat: cafes, pubs, teashops, restaurants. What to see. Guides to 62 gateway towns and villages. Detailed public transport information.60 day-walks – for all abilities. Graded for difficulty, terrain and strenuousness. Selected from every corner of the region and ranging from well-known peaks such as Ben Nevis and Cairn Gorm to lesser-known hills such as Suilven and Clisham.2-day and 3-day treks – some of the walks have been linked to form multi-day treks such as the Great Traverse.90 walking maps with unique mapping features – walking times, directions, tricky junctions, places to stay, places to eat, points of interest. These are not general-purpose maps but fully edited maps drawn by walkers for walkers. Detailed public transport information 62 gateway towns and villages - Much more than just a walking guide, this book includes guides to 62 gateway towns and villages: what to see, where to eat, where to stay; pubs, hotels, BBs, campsites, bunkhouses, bothies, hostels.
