**Hannah Engelkamp : Seaside Donkey** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Seaside Donkey:

Her proposal and blog posts were compelling, and I anxiously awaited the Christmas arrival of my package from Wales. I wasn't disappointed. A very talented writer, plus an improbable journey, (shared with Chico the donkey - my favorite character), circumnavigating the magnificently depicted landscape of Wales... it's a modern day fairy tale. I hope Hannah found what she was searching for - it wasn't clear to me whether she did. I however, was left with a renewed faith in humanity, both from leap of faith that Hannah made stepping out onto the road that first day with her donkey, the courage and persistence she displayed throughout, and the consistent kindness and generosity she was shown along the way. Bravo Hannah! I look forward to your next literary effort.
