Peter Cumberlidge : Secret Anchorages of Brittany before purchasing it in order to gage whether or not it would be worth my time, and all praised Secret Anchorages of Brittany:

Secret Anchorages of Brittany provides concise pilotage directions for practically all the natural anchorages along the Brittany coast, from the Bay of Mont St Michel round to the great estuary of the Loire. As with the first edition, the anchorages start near Cap de la Hague on the Cotentin Peninsula and include Iles Chausey. The book enters Brittany waters near Cancale and follows the whole 300-mile coastline, with its rivers, estuaries and offshore islands, looking into every nook and cranny on the way. This stylish second edition includes many new anchorages and is lavishly illustrated in colour, while the anchorage charts have been redrawn and verified against the Admiralty or French SHOM charts. The pilotage sections are peppered with short features on the maritime traditions, life and history of this

inimitable coast. Peter Cumberlidge is a well known writer and photographer who cruises widely under sail and power. He always returns to Brittany with affection and the new Secret Anchorages reflects his sympathy for this fabulous cruising area, the people who live here and the superlative seafood for which the coast is justly renowned.

About the Author Peter Cumberlidge is a well known yachting journalist, author and photographer. He cruises widely under sail and power and has contributed columns to Motor Boat Yachting. He is the author of numerous cruising guides.
