personally met Royal and followed his ministry through the years. I was delighted to read a guide by someone that is intimately acquainted with his subject matter. The book does not disappoint! I would definitely take it along if I ever have the opportunity to go to Rome. 0 of 1 people found the following review helpful. I love this book! By Jacqueline Lane This little book was exactly what we have been looking for. I want to see Rome through an evangelical lens. I love Rome but I tire of the "relics" and traditions. We are planning a trip to Rome this Christmas and I can't wait to go to all the places in the book. I do wish it had maps but I sat with my iPad and figured it all out.

MILLIONS OF PEOPLE VISIT ITALY EACH YEAR, yet few of them really see Christian Italy. Now a veteran guide with half a century of experience shows you the ports where the apostle Paul landed in Italy. You travel step by step with him on the Appian Way and go inside his Roman imprisonment. The most famous sights of Rome are explained from a Christian's perspective, while other unknown treasures are excavated for the reader and traveler alike. This biblically based book invites you to see Rome and Christian Italy like never before.
