Imperial Feeling : Selected Restaurants. Kiev before purchasing it in order to gage whether or not it would be worth my time, and all praised Selected Restaurants. Kiev:

No matter what your culinary wish or whim, this book will put a great selection of restaurants in Kiev at your fingertips. Each one is unique and multi-faceted on its own and will surprise you with something special. Trust us on this: your tastebuds will be tantalized and your senses delighted - it might even happen that you will not find the words to describe your feelings! But don't worry. We know that uniqueness always balances on the edge of personal preference and excellent experience, and this is what makes your impressions particularly valuable to you. Visiting any of the places introduced here and diving into their culinary world will send you on a wonderful journey of taste, smell, colour and sound, while the positive emotions you come away with will stay with you for a long time!
