**Cartographia : Serbia Montenegro Map by Cartographia (Country Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Serbia Montenegro Map by Cartographia (Country Map):

0 of 0 people found the following review helpful. If only it were durableBy ReviewerThe map actually is excellent, but it was already split at the seams. I don't know if it was stored improperly, but it doesn't have the plasticized coating like some other maps. This had to be taped up immediately.

Folded road and travel map in color. Includes Bosnia-Herzegovina and Macedonia. Scale 1:800,000. Distinguishes roads ranging from motorways to secondary roads. Legend shows railways, funiculars, car ferries, ascents, roads of particular scenic interest, state boundaries, border crossings, National Parks, natural objects of interest, panoramic views, international airports, airfields, monasteries, churches, mosques, antique ruins, ruins, castles, tourist hotels, caves, passes, spas, beaches, World Heritage sites. Legend in 6 languages, including English. Index on back of map.
