**Paul Hannon : Short Scenic Walks - Nidderdale (Pocket Walks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Short Scenic Walks - Nidderdale (Pocket Walks):

This is Book 7 in the exciting new series of full-colour "Pocket Walks", being small, practical sized guidebooks aimed at the less serious rambler. Full colour photographs and colourful sketch maps accompany each of the well described walks, with the bonus of making it an attractive souvenir of the area. Principal feature is that all walks are less than five miles in length (though averaging 4 miles each, they are all very definitely worthwhile outings), making them ideal for families, leisure walkers, and others constrained by either time or other limitations. Concise route descriptions are complemented by ample background information. This title deals with Nidderdale, one of the major valleys of the Yorkshire Dales, based on Pateley Bridge. Twenty superb walks use starting points such as Ramsgill, Middlesmoor and Dacre Banks. Places visited include Brimham Rocks, Scar House, How Stean Gorge and Yorke's Folly. This title is launched in unison with 3 other neighbouring Yorkshire Dales titles, covering Malhamdale, Upper Wharfedale and Lower Wharfedale.
