Collins Maps : Short Walks In Cornwall before purchasing it in order to gage whether or not it would be worth my time, and all praised Short Walks In Cornwall:

A practical guide to walks that can easily be completed in less that 3 hours This compact little guide contains 20 walks, all of which are five miles or under, which are chosen with issues like parking and refreshments in mind,

making them ideal for an afternoon stroll. Easy-to-follow walk descriptions are given, along with clear maps that show the route and have highlights clearly marked. Cornwall, with its different landscapes: the gentle limestone White Peak with its intimate wooded dales and steep-sided gorges; and the wilder more dramatic gritstone Dark Peak with its wild moorland, offers some superb walking areas. This guide, produced in cooperation with the Ramblers and featuring Ordnance Survey mapping, is the perfect way to get out and enjoy the stunning scenery.

About the Author Collins Maps allow you to explore the world through accurate and up-to-date mapping created by Collins UK, a leading information-led publisher of illustrated and narrative nonfiction.
